NUMBER 21

COKE STEVENSON WINS SENATE RACE

KYLE VICK AND PASCHALL WIN NOMINATIONS

BUILDING PERMITS \$20,400

\$16,000 HOME TOPS BUILDING PROGRAM

Building permits in the city of Cameron totaled \$20,400 in the month of August, it was announced early Wednesday, September 1 by W. H. Stafford, city Secretary.

A \$16,000 home topped the individual permits for the month. Drayton McLane has started construction on a new home on his property on East 23rd street. J. E. Johnson is architect and this home will be one of the best and most modern of the post war residences to be built in Cameron.

Aside from the permit for the McLane home the other construction totals represent smaller items of repairs and small homes.

Based upon the average for the first 8 months of the year 1948 the construction total in Cameron for the year will run about a quarter million to 33 thousand dollars.

With the costs of construction high this total may be seen as a courageous belief in the future of the city.

CROP MUCH BETTER THAN ESTIMATED

The Cameron Compress had received 8000 bales of cotton from the new crop in Milam county up to around noon Wednesday.

The crop is turning out much better than was expected, it was said here.

On Tuesday the compress received the highest number of bales for any day during the current season.

It was predicted that the peak of the crop would be harvested a week ago but unexpected production has seemed to prolong the brisk movement of the staple.

The estimate is that the county may get 25,000 bales this season. Both the price of cotton and seed continue well above expected highs and the resulting income is giving the farmers encouragement for the coming year.

HALF MILAM COTTON IN GOVERNMENT LOAN

About 50 per cent of Milam County cotton is going into the Cotton Loan Program, Alva E. Sanders, Secretary of the Milam County ACA, said today.

About 5 per cent is being sold. Unless the price of cotton goes above the Loan Rate most of the remaining 50 per cent will also go into the loan program.

Mr. Sanders also stated that the cotton is turning out a little better than expected.

Milam Young Men Are Signing Up For Draft

Young men between the ages of 18 and 45 were registering Monday for the draft.

City Hall was the site for registration. There was no estimate on the number of young men who will sign up.

The army was expected to issue its first call for men soon. The number will be about 10,000 and the number of men to be drafted from Milam county will be few.

Following complete registration the Draft Board will begin classifications and by drawings will establish the draft number of each registration.

Mr. and Mrs. Sammie Sims, Jr. and son, Tommie of Gordo, Ala., and Mrs. Russel Ost of Blakely, Ga., have been visiting Mrs. Sims parents, Mr. and Mrs. A. S. Schlemmer of Belmena for the past two weeks.

Rosebud To Get Early Survey on Right of Way for Highway 77

D. M. Puckett, Division engineer of the Texas Highway Department stated this week that he will cause a survey of the route of the highway from Fifth street south to the route of highway 77 to be made just as soon as his engine found some time. He stated that the route would probably be straight out Fifth street to the present surveyed route so that when Rosebud grows southward it can do it in a straight line like streets are wanted. He also said that surveys would be made from Fifth street for the north route out of Rosebud during the same time.

Puckett urged that all right of way be secured as soon as possible to avoid any further delay when the Highway Department can begin work on the highway. He was complimentary of the cooperation that local citizens have already given the highway in the donation of right of way and urged that the right of way be completed as quickly as possible.—Rosebud News.

Look For Very Hot Weather This Week

Don't be fooled by that northeast breeze. It is going to be very hot, so the weather man said—probably.

During the next 24 hours a cool breeze may blow moderately from the northeast but after that it will get back in the south or just quit altogether.

The nights are going to be very hot and folks generally will experience discomfort such as they did not have in the extreme heat of August.

Clear weather and hot sunshine are two things to expect in the next few days.

Season Tickets Are To Be On Sale Here September 14th

Coach Leo Jackson Wednesday announced complete information on season tickets both for the students and for the public at large.

Here is the schedule: Activity tickets for students which include all phases of sport and entertainment, school sponsored, will be on sale the date that students begin registration for the fall term. There are 45 events for which these tickets are good. They will cost a high school student \$4.40 and the Ada Henderson students \$2.00. They include the season football games, 6 of them, all home games.

Season football tickets for the public at large will be on sale September 14. They will sell for \$4.44 tax included and good for 6 home games. They include B and Junior squad games also.

Coach Jackson said he had been asked about these tickets and requested The Herald print this information.

TRASH FIRE BULLETS HURT MARLOW WOMAN

Mrs. Phoebe Ann Bright of Marlow narrowly escaped death Thursday afternoon at her home when cartridges exploded in a trash pile she was burning.

A 22 calibre rifle bullet exploded inflicting a wound in Mrs. Bright's right forearm and her forehead. A shotgun shell also in the trash exploded but caused no harm.

Mrs. Bright said she could not account for the presence of the shells in the trash she was cleaning up in her yard.

Next Representative

H. F. PASCHALL

Mr. Paschall whose home is on a farm at Milano, won the nomination Saturday, August 28 for Representative from the 64th District, Milam county. Mr. Paschall led the three cornered race in the July 24 primary and then defeated the incumbent, A. N. Green by more than 700 votes.

BEARD CASE RE-SET FOR OCTOBER FOURTH

Trial of Lonnie Beard of Conoley on a charge of murder in connection with the slaying of his son-in-law Noel Martin in July, has been re-set for October 4th.

Beard is expected to plead self defense. Martin was shot in the yard of the Beard home. They had quarreled and Martin left with his wife but turned back a short distance out and as he entered the yard was fired on. He died a short time later in Taylor. The family live in Round Rock.

Mrs. Martin is soon to be confined and the case, originally set for early September has been re-set.

W. C. Wofford of Taylor will defend Beard.

Earl Shelton of Austin, has been retained as special prosecutor in the case to assist the county attorney.

HARRY C. WIESS HEAD OF HUMBLE IS DEAD

HOUSTON, Aug. 26 — Harry Carothers Wiess, 61, chairman of the board of the Humble Oil and Refining company, died at his home here late this afternoon.

The veteran oilman, civic leader and philanthropist was one of the founders of the company and had helped make it the nation's largest producer of crude oil.

At the time of his death, Wiess was the only member of the original board of directors still active with the company.

Wiess also was a director of the American Petroleum Institute, a member of the National Petroleum council, a charter trustee and permanent member of the board of Princeton university, and a member of the board of trustees of Rice Institute, Houston.

He and his wife have made many gifts to educational institutions.

On Nov. 13, 1946, they gave Rice institute the income from 30,000 shares of Humble company stock for a period of 17 1-2 years, a gift calculated to amount to more than \$1,000,000.

Wiess had been in ill health for several months.

Survivors include the widow, three daughters, Mrs. Lloyd H. Smith, Mrs. William H. Francis, Jr., and Mrs. James A. Elkins, Jr., and two granddaughters, Sandra Keith and Sharon Lloyd Smith, all of Houston. Funeral arrangements will be announced tomorrow.

ELECTION BUREAU THROUGH WITH COUNT

Coke Stevenson had won the Democratic nomination for United States Senator as the Texas Election Bureau completed its count from the August 28 primary. The latest count Stevenson had a majority of 349 votes.

Lyndon Johnson, his opponent, had made no comment but from previous statements of both candidates the results are not likely to be accepted.

The State Democratic Executive Committee will certify the official count on September 14 to the State Convention and that convention will declare the nominees. The Secretary of State must certify the nominee for the November ballot not later than September 17.

Some confusion results from a misunderstanding of the position of the Texas Election Bureau in the count. The election bureau is a newspaper organization to bring election results to the readers. Any count made by the bureau is unofficial. Only the count that is made by the Democratic State Committee is legal. This count is based on certifications of the official totals by County Chairmen in the counties of the state.

Coke Stevenson, based on the final count of the Election Bureau is the winner. The great reputation of the Texas Election Bureau for accuracy may well be taken to indicate that Stevenson will be the next United States Senator from Texas.

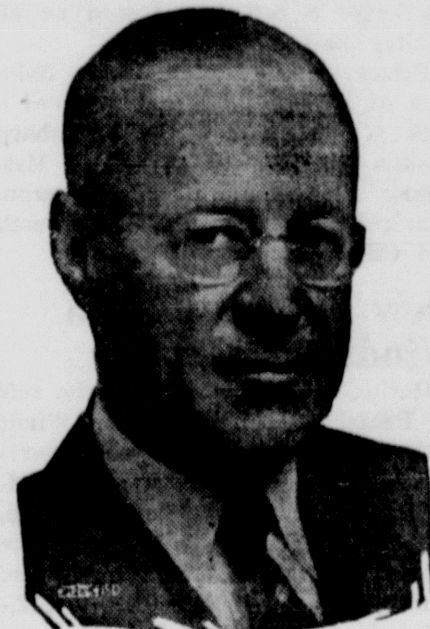

In case a contest is filed protesting the primary vote the Texas courts will have jurisdiction. A contest filed in the Senate of the United States, would test whether that body would seat Stevenson or Johnson even though the Texas Party nominee had been elected in November. A Senate contest would be the last resort.

Frank Torno's Punting May Rescue Hapless Aggies This Fall

COLLEGE STATION, Aug. 27—A life guard is coming to the rescue of the Texas Aggies.

He's not just an ordinary life guard either.

This one can kick that football a country block, blaze the century in 10 seconds flat and zig when his football foes zag.

His name is Frank Torno.

However, head Coach Harry Stiteler is counting on the scampering 170-pound halfback to be as good as his advisors say he is.

Torno came to Texas A&M College in February of 1946 from Cameron. As an Aggie Freshman he gained a Varsity letter, doing much of the punting. Torno stayed out of school last year, but he's anxious to get back in that uniform.

"I don't know if I still can run the hundred in 10 flat," he says, "but I'm in good shape. I've been a life guard here all Summer and have been training at the high school, so I should be ready to go."

Printing is a home industry.

LESS THAN 4500 VOTES IN RUN OFF PRIMARY

Senator Kyle Vick of Waco defeated Sam C. Sellers to win the nomination for State Senator from the 13th District and H. F. Paschall of Milano won the nomination for Representative from the 64th District, Milam county, in the August 28th run off primary election.

Senator Vick whose service has been characterized by special devotion to Milam county, got more than a two to one majority over Sellers in Milam county. The complete vote from the four counties of the District was not available.

The totals in Milam county were: Vick 2874 and Sellers 1300.

H. F. Paschall of Milano, a new comer to the political stage, and who led the voting in that race in the July Primary, won over A. N. Green the incumbent who was a candidate for re-election. His majority was over 700 votes.

Paschall received a total of 2485 and Green received 1739.

Less than 4500 votes were cast in the primary, in fact slightly over 4200. The Herald predicted that the vote would be between 4000 and 4500.

Coke Stevenson for United States Senator led Lyndon Johnson in Milam county, but failed to increase his vote appreciably over the July total. Johnson showed a considerable increase. The totals for the United States Senate race in Milam county are as follows: Stevenson 2273 and Johnson 1950.

In a photo finish Edward Sexton was nominated for Constable of Precinct 4 at Rockdale, defeating Mack Davlin by only 15 votes. Sexton received 539 votes in the 9 precincts of the Justice Beat and Davlin received 524 votes.

The precinct contest at Rockdale brought out more votes than were cast in the July primary. Rockdale voted 552 votes on Saturday, August 28.

In the city of Cameron the vote was short more than 300 in the two voting precincts. Generally the vote was short in the rural areas.

TAYLOR MAN IN JAIL FOR KNIFE ATTACK

Boyd Davenport of Rockdale was stabbed in the stomach and critically wounded outside a dance hall in Rockdale early Friday morning.

Noble Rutherford of Taylor, brother in law of Davenport is in the Milam county jail at Cameron awaiting developments in the condition of his victim.

Sheriff Carl Black placed Rutherford under arrest and brought him to jail. Both men, it was said had been drinking heavily and engaged in a quarrel in the dance hall. According to officers Rutherford stabbed Davenport as they met outside the hall after the dance had ended.

Davenport was rushed to Newton Memorial Hospital in Cameron. His condition was said to be fair early Friday morning and his chances for survival are good.

A & M CLUB PLANS PICNIC SEPTEMBER 9

President Clifford Thompson, of the Milam County A. and M. Club, announces that this club will have an informal picnic gathering, Thursday, September 9th, 8 p. m. in Wilson-Ledbetter Park.

The meeting is being held to acquaint ex-students with present students and to familiarize prospective students with Aggie Traditions. Also, to advocate a stronger A. and M. Club in Milam County. The program will consist of a picnic lunch and other entertainment.

All ex-Aggies, present students and prospective students who intend to enroll in school at A. and M. this fall are invited to attend.

LOCAL MEN TELL OF PROFITS FROM CHICKS

Profits from broilers and a new million dollar farm income for this section were the two encouraging developments as a result of a producers meeting held here Thursday night. Leo Fuch's Ideal Hatchery and Poultry Farm was instrumental in arranging for the meeting attended by some 75 interested people, mostly producers who are rapidly taking hold of the poultry business in its most profitable form—raising eating chickens.

The meeting was called to order at eight o'clock at the Knights of Columbus Hall. The first big feature of the meeting was an egg production film shown by L. V. Steffins of Austin. The film was a perfect answer to a 100 hen set up on the farm. The film showed proper feeding, housing, floor space, and ventilation for proper care of chicks. The film was followed by a discussion involving a chart on production lines. Mr. Steffins shows well how Milam county can raise better broilers than any other area and pointed out with convincing figures how profits can be made.

The more convincing phase of the

meeting came when actual producers here told about profits. M. L. Waller of Milano who is now starting 1000 broiler chicks every six weeks, told of the success he has had. He netted \$370.00 on the last 1000 broilers he sold. On July 20 he purchased 1000 chicks and reported he had lost on 14. He is thoroughly sold on the broiler end of the poultry industry.

V. F. Obermiller who has the largest of the locally installed broiler productions, reported that he is well pleased with results he is getting. Mr. Obermiller came to Cameron two years ago and purchased a farm near Ad Hall. He began at once to equip his farm with a complete broiler production lay out. Mainly the broilers are raised on wire floors, 14 inches above ground. He selected this area over other areas in central Texas and is happy over the prospects for his growing and money making industry.

Monroe Fuchs, son of Mr. and Mrs. Leo Fuchs, gave a report on feed costs with his own chicks and also told about the profits he is making. He keeps a complete record as all poultry raisers should do.

Prizes were awarded. H. D. Solomon of Rosebud, Route 1 received a sack of broiler feed and Eversharp Peruna pencils were given to Mrs. Henry Richter, Route 1 Cameron, Frank Plachy, D. B. Collingsworth and Gilbert Schmidt.

New Trial Denied in Windt Judgements

Motion for a new trial in the suit of Beatrice and Harry B. Windt of New York against Marsh Department Stores of Brenham and Leader Department Stores of Cameron, was overruled by Judge Ben H. Rice Jr. in Federal District Court. The court's action left in effect a \$12,500 judgement for the Windts in an involved lawsuit over corporate financing.—Waco Times-Herald.

HUSBAND OF FORMER CAMERON WOMAN DEAD

Robert E. Graves, Jr., 34, formerly of Temple, was killed at 12:45 a. m. Saturday in the yard at his home at Killeen when a pistol which he had been keeping under his pillow in a hammock was discharged.

W. A. Roberts, Justice of the Peace for Precinct 7, held an inquest Saturday afternoon but did not file a final verdict.

District Attorney Jim K. Evetts, who assisted in the inquest, said that Mr. Graves had been sleeping in the hammock in the yard. Since there had been reports of prowlers in the neighborhood previously, he had kept a pistol under his pillow.

Friday night sometime after midnight he told his nephew, who had also been sleeping in the yard, to go into the house and had reached the steps when the pistol was discharged Mr. Evetts said.

Mr. Graves was taken to the hospital at Camp Hood but was pronounced dead upon arrival.

He was assistant personnel officer in the civil service office at Camp Hood. He had been continuously in the government service since October, 1940.

Mr. Graves was born in Temple. He attended Temple high school, Temple Junior college, and was graduated from Howard Payne college in Brownwood. He served in the U. S. Coast Guard from September 1942 to December 1945.

He is survived by his wife, Mrs. Ila Morrison Graves, and 11-month-old daughter, Bennie Sue; his mother Mrs. R. E. Graves, Sr., of Dallas; one brother, Aubrey Graves of Washington, D. C., three sisters, Mrs. Lea Mae Sprayberry of Brenham; Mrs. Shirley Fairchild of Dallas, and Mrs. Robbie Pruitt of Los Angeles.

Mr. Graves is a grandson of Mrs. J. A. Mayberry of Temple. Another grandmother, Mrs. H. S. Graves, lives in Austin.—Temple Telegram.

Mrs. Graves is the former Mrs. John Jeter of Cameron. She lived here for several years and before her marriage to Mr. Graves was also employed at Camp Hood.

Draft Registration Information Given To Young Texans

AUSTIN, Texas, Aug. 21—Initial registration for the Selective Service Act of 1948 will be done in 17 working days as compared to one day in the 1940 operation, Maj. Gen. K. L. Berry, state Selective Service director, observed this week.

Registration this time will be between the dates of August 30 and September 18, both dates inclusive. Men 18 through 25 years of age will register at places designated by their local boards.

Specific days when men will register in the different age groups are as follows:

Men born in 1922 after August 30, 1922, will register on August 30.

Men born in 1923 will register on August 31 and September 1.

Men born in 1924 will register on September 2 and 3.

Men born in 1925 will register on September 4 or 7. This means there will be no registration on Labor Day.

Men born in 1926 will register on September 8 and 9.

Men born in 1927 will register on September 10 and 11.

Men born in 1928 will register on September 13 and 14.

Men born in 1929 will register on September 15 and 16.

Men born in 1930 before September 19 will register on September 17 and 18.

Men born on or after September 19, 1930, will register on the day they are 18 years old or within five days thereafter. This means that men will register as they become 18. They will register with their local boards.

Hours of registration at the local board registration spots will be from 8 a. m. to 5 p. m.

Sunday visitors at the Christian Church were Mr. and Mrs. B. L. Triplett and daughter, Delores of Weslaco. Also another daughter, Mrs. Ray Sowart of San Benito, along with her young son Donnie. Delores has just returned from a Christian Youth Conference at Estes Park, Colorado.

Mrs. Mary V. Posey visited her children in Temple Sunday.

LOCAL MEN TELL OF PROFITS FROM CHICKS

Profits from broilers and a new million dollar farm income for this section were the two encouraging developments as a result of a producers meeting held here Thursday night.

Leo Fuch's Ideal Hatchery and Poultry Farm was instrumental in arranging for the meeting attended by some 75 interested people, mostly producers who are rapidly taking hold of the poultry business in its most profitable form—raising eating chickens.

The meeting was called to order at eight o'clock at the Knights of Columbus Hall. The first big feature of the meeting was an egg production film shown by L. V. Steffins of Austin. The film was a perfect answer to a 100 hen set up on the farm. The film showed proper feeding, housing, floor space, and ventilation for proper care of chicks. The film was followed by a discussion involving a chart on production lines. Mr. Steffins shows well how Milam county can raise better broilers than any other area and pointed out with convincing figures how profits can be made.

HUSBAND OF FORMER CAMERON WOMAN DEAD

Robert E. Graves, Jr., 34, formerly of Temple, was killed at 12:45 a. m. Saturday in the yard at his home at Killeen when a pistol which he had been keeping under his pillow in a hammock was discharged.

W. A. Roberts, Justice of the Peace for Precinct 7, held an inquest Saturday afternoon but did not file a final verdict.

District Attorney Jim K. Evetts, who assisted in the inquest, said that Mr. Graves had been sleeping in the hammock in the yard. Since there had been reports of prowlers in the neighborhood previously, he had kept a pistol under his pillow.

Friday night sometime after midnight he told his nephew, who had also been sleeping in the yard, to go into the house and had reached the steps when the pistol was discharged Mr. Evetts said.

Mr. Graves was taken to the hospital at Camp Hood but was pronounced dead upon arrival.

He was assistant personnel officer in the civil service office at Camp Hood. He had been continuously in the government service since October, 1940.

Mr. Graves was born in Temple. He attended Temple high school, Temple Junior college, and was graduated from Howard Payne college in Brownwood. He served in the U. S. Coast Guard from September 1942 to December 1945.

He is survived by his wife, Mrs. Ila Morrison Graves, and 11-month-old daughter, Bennie Sue; his mother Mrs. R. E. Graves, Sr., of Dallas; one brother, Aubrey Graves of Washington, D. C., three sisters, Mrs. Lea Mae Sprayberry of Brenham; Mrs. Shirley Fairchild of Dallas, and Mrs. Robbie Pruitt of Los Angeles.

Mr. Graves is a grandson of Mrs. J. A. Mayberry of Temple. Another grandmother, Mrs. H. S. Graves, lives in Austin.—Temple Telegram.

Mrs. Graves is the former Mrs. John Jeter of Cameron. She lived here for several years and before her marriage to Mr. Graves was also employed at Camp Hood.

Draft Registration Information Given To Young Texans

AUSTIN, Texas, Aug. 21—Initial registration for the Selective Service Act of 1948 will be done in 17 working days as compared to one day in the 1940 operation, Maj. Gen. K. L. Berry, state Selective Service director, observed this week.

Registration this time will be between the dates of August 30 and September 18, both dates inclusive. Men 18 through 25 years of age will register at places designated by their local boards.

Specific days when men will register in the different age groups are as follows:

Men born in 1922 after August 30, 1922, will register on August 30.

Men born in 1923 will register on August 31 and September 1.

Men born in 1924 will register on September 2 and 3.

Men born in 1925 will register on September 4 or 7. This means there will be no registration on Labor Day.

Men born in 1926 will register on September 8 and 9.

Men born in 1927 will register on September 10 and 11.

Men born in 1928 will register on September 13 and 14.

Men born in 1929 will register on September 15 and 16.

Men born in 1930 before September 19 will register on September 17 and 18.

Men born on or after September 19, 1930, will register on the day they are 18 years old or within five days thereafter. This means that men will register as they become 18. They will register with their local boards.

Hours of registration at the local board registration spots will be from 8 a. m. to 5 p. m.

Sunday visitors at the Christian Church were Mr. and Mrs. B. L. Triplett and daughter, Delores of Weslaco. Also another daughter, Mrs. Ray Sowart of San Benito, along with her young son Donnie. Delores has just returned from a Christian Youth Conference at Estes Park, Colorado.

Mrs. Mary V. Posey visited her children in Temple Sunday.

YOEMEN SCRIMMAGE WITH TEMPLE CATS

Captain Ted Brown and Leo Jackson looked everywhere but in the proper holes at Western field last night in search of clicking combinations to field this 1948 football season.

Minute officials and any previous publicity, Temple and Cameron grid prospects knocked and hunted at each other for a solid hour and a half in a scrimmage just as rough as

you'll find anywhere.

If it didn't do anything else, it proved boys on both teams were in shape and can take the rough stuff when the occasion calls for it.

The scrimmage was not carried on under actual game conditions. Each team took their turns on offense and defense, and no score was recorded. Locally, the most significant fact brought out by the bust 'em session is that the Cat passer will need more protection than he received during the period.

Cameron's right end, Bobby Wilkinson, and both guards were in on Temple Pitcher Billy Dune before he could even spot a receiver. After a while, he had the back-fewer so bad he couldn't hit the receiver when he did have ample time.

Constant changing around in both lines made it difficult to spot any really potent points on either side.

Generally speaking, the right side of the Temple line shows more defensive power than the left. Cameron's John Moseley broke into the open on several occasions going off his own right guard and tackle.

Calvin Weaver was a demon from his left half position on defense. In several instances he breezed forward enough to throw opposing runners for small losses.

Wayne Lucky showed promise at the right end post, and Glenn Hastings had a good night in one of the linebacking slots.

Buddy Barron was one of the chief reasons for the strength dis-

played by the right side of the Temple line.

When Mark Nash was in at left guard, some of the Cameron onslaught was halted. Center Sam Jones did a good job of backing up the center section of the line on defense.

For the Yoemen, Moseley, Howard Beale and John Matulis appeared as top contenders in the backfield, while Wilkinson, Robert Lora, 195-pound tackle, Gordon Gibson and Grady Allen stood out in the line.

Both teams showed plenty of uncertain ball handling—fumbles fell all over the place.

Ray Pace was held in check most of the night by the Yoemen, but he did slip through for what would have been one touchdown under game conditions.

Don Constance has shown more drive in practice than he did in last night's scrimmage. He has the ability to be one of the loop's best in that phase of the game. It may take a game or so to give him the urge to slash the line—once he gets started, he'll be hard to stop.—Temple Telegram.

MILANO NEWS

H. E. Probst, Supt. of Milano High School has announced that school will open here Monday, September 4, at 9 o'clock.

Students will register that day, class work will begin Tuesday. Parents are urged to have children register the first day of possible. All teachers are back at their post with a new teacher, Mr. Dedlin, who will be principal and fill the place made vacant by the resignation of Miss Stewart.

LOOP HOLE DRAFT LAW DEFERMENT PARADISE

The new draft law is a deferment paradise with more loop holes than there are fox holes in the streets of Cameron.

The first list of deferment privileges has been announced. No married man will be taken. No fathers will be taken. No man who wants to claim his religion prohibits military training, will have to go.

Young men on farms who produce "substantial quantities" of food stuffs will have to go. No veteran will have to go. All veterans who spent as much as 90 days in the service will not have to go.

The wide open gate of the new draft law has well oiled hinges for all those who are "essential to industry, to the national health, safety or interest."

Young men between the ages of 18 through 25 will register on August 30. The first call for men will be issued in September. It was expected that a liberal law would be enacted in peace time. The new draft law will lack the urgency of war to make it very effective. It is a masterpiece of political expediency.

There is apt to be a long list of deferments for students both high school and college. Tired business men who can hardly get their feet down off their desks, will claim as essential every young man who does not want to go to the service.

Since this is the first peace conscription in history it will be interesting to note how the traditionally free American youth reacts when there is no war. There is a word of caution, many of the war time penalties for draft evasion are retained in the new law.

Rockdale Has Robbery Early Monday Morning

Sheriff Carl Black said he had arrested two men who have confessed to the burglary of the Cook Grocery in Rockdale early Monday morning.

The grocery store is off main street and near a used car lot owned by Gaither Motor Company.

Sheriff Black said that a glass in the front door had been broken and entrance gained by turning the lock.

Five dollars was taken from the cash register and 7 cartons of cigarettes were stolen.

Pat McKinney Baskin, son of Mr. and Mrs. J. D. Baskin now of San Antonio, formerly of Cameron received his Bachelor of Arts degree at the University of Texas August 29th. Pat has completed a years work toward his law degree also at the university.

Phone your news items to 282.

COOLER WEATHER IS NOW IN PROSPECT

Cameron received .55 inches of rain Wednesday night to bring the first relief from the heat that burned and devastated vegetation and caused severe water shortages.

On the previous night, .3 inches fell here bringing the total to .58 the first rain since mid-July.

Heavy rains fell in the Milano country and early Thursday there were light rains from showers in all sections of the county, but as yet no rain of adequate proportions have fallen here.

L. W. Smith, government observer at the Community Public Service Company said that the high temperature Wednesday was 88 degrees and the low was 74. On Tuesday the high was 92 and the low was 73. August 23 the high was 98 and the low 75 and on August 22 the high was 104 and the low was 74.

Predictions were that generally cooler weather would prevail over Texas for the next day or two. Prospects also were that more rain would fall in this area. It was raining a good shower around noon Thursday.

Miss Netilee Eplen of Abilene is visiting her aunt and family. Mr. and Mrs. Frank Reid this week, she is the daughter of Tom Eplen, and he and Mrs. Eplen will join them the last of this week for a few days visit, before returning to their home in Abilene Monday.

I'm RAIN

I'll pile up the washing
And make you delay,
While you wait in despair

MARAK PLANS PICNIC
SUNDAY SEPTEMBER 19

Father Ben Holub of SS. Cyril and Methodius Parrish at Marak, was in Cameron early Tuesday and announced that the date has been fixed for the annual picnic.

The Picnic and evening program will be held on Sunday, September 19.

Father Holub has led his Parrish in a number of successful entertainments. He said that 7 bales of cotton have already been donated for the auction and awards and that meat has also been made available for the picnic lunch and supper.

All those who wish to share in the free prizes for attendance are required to sign this coupon and be there in person.

LESS THAN 5000 VOTES
YET TO BE COUNTED

(From the Daily)

Coke Stevenson pulled into the lead in the Senatorial Race at the noon tabulation Monday and was ahead of Lyndon Johnson 210 votes.

It was estimated that less than 5000 votes were still out and uncounted. The race has established a record for closeness.

Lyndon's lead began to dwindle from the 10:30 count. He had at one time been 717 in the lead. Coke led all the way until the Duval county votes were received at the Texas Election Bureau.

The vote at noon Monday was: Stevenson 492,481 and Johnson 492,271.

The race set a record in Texas for closeness.

Lyndon Johnson rode into the lead of the U. S. senate race Sunday night on a sudden tide of votes from Duval county, one of his south Texas strongholds.

The 40-year-old congressman swept ahead of ex-Governor Coke Stevenson by 717 votes in the 8 p. m. tabulation of the Texas election bureau and held a margin of 693 votes in the bureau's final tabulation of the night at 9 p. m.

But it was the complete returns from Duval county that catapulted Johnson to the forefront in the closest major race in the state's long political history.

The final count from Duval gave Johnson a decisive net gain of 425 votes that spelled the difference between trailing or leading his 60-year-old opponent.

Duval's final count: Johnson 4,622; Stevenson 40.

An estimated 11,000 votes remained unaccounted for by the election bureau.

The race attracted nearly a million voters.

The 9 p. m. tabulations were from 253 of the 254 counties, 179 complete.

But in the face of the bureau's tabulations showing that he was trailing in the race, Stevenson said at Austin:

"Despite a momentary lead given the other candidate as a result of late additional returns from Duval county, an area which has long been known for its peculiar position in Texas politics, I will win this race."

Indications were strong in Austin that an official count by the democratic state executive committee would be necessary to decide the winner.

No statement was issued by Johnson after he swung into the lead.

The 8 p. m. tabulations marked the first time that Johnson, ex-navy commander, took command of the lead. He nosed ahead at that hour by 717 votes.

Cemetery Association
At Little River To
Meet September 5

Little River Cemetery Association will hold its annual meeting on Sunday, September 5. These meetings are always held on the Sunday before Labor Day.

R. H. Glenn, vice president of the Association, was in Cameron this week and announced the 1948 meeting. These annual meetings call for a reunion of old citizens as well as special care for the historic cemetery at the old church. The day is spent with a program of great interest to all.

Rev. W. N. Clark, former pastor at Little River and now pastor at Pharr, Texas, will deliver the principal address. A large attendance is urged.

Printing is a home industry.

DENIES PLEA OF DALLAS FOR CONVENTION SEATS

AUSTIN, Aug. 26—The State Supreme Court today overruled a motion by Dallas County Dixiecrats to force the seating of the anti-Truman delegation at the State Democratic convention, Sept. 14.

The order denying the Dixiecrats' efforts was handed down by the court without comment.

The decision was made within an hour and a half after the motion was filed with the court.

Technically, the action sought was filed by Connie Renfro, Dallas attorney, asking leave to file a petition for a mandamus against the State Democratic Executive Committee to seat the Dixiecrat delegation at the Fort Worth State convention.

Renfro said the petition asked that R. W. Calvert, chairman of the State Democratic Executive Committee, and members of the committee, be ordered by the court to perform "their administrative duty" and prepare a temporary roll of delegates to the convention and include "thereon the names" of the Dixiecrats Dallas County delegates.

The Dixiecrats won control of the Dallas County convention and Democratic Loyalists immediately set up a rump convention.

The political question is whether the State Executive Committee, predominately loyalist, would recognize the Dixiecrat or rump loyalist delegation.

CHARLES E. HUGHES DIED LATE FRIDAY

OSTERVILLE, Mass., Aug. 27—Charles Evans Hughes, 86, retired chief justice of the United States, died tonight of a heart ailment.

He had been in a coma since late afternoon.

Hughes' son, Charles Evans Hughes, Jr., and two daughters, Mrs. William T. Gossett of Bloomfield Hills, Mich., and Mrs. C. A. Waddell of Riverdale, N. Y., were at the bedside when he died.

Death occurred at 8:35 p. m. (EST) in an annex to the Wianco club, to which Hughes had come on Aug. 5 to convalesce from an illness that had confined him to his Washington home for several months.

The former chief justice, twice governor of New York and Secretary of state in the Harding and Coolidge cabinets, had lived in seclusion in Washington since his retirement from the U. S. supreme court July 1, 1941.

Hughes' critical illness became known only today. The son notified supreme court attaches that his father was sinking from a "gradual weakening of the heart."

An hour before his death, Dr. Frederick Sanborn, Hughes' physician described his condition as "very low."

Hughes left the nation's highest judicial post July 1, 1941, because of declining health.

Mr. and Mrs. W. E. Dunham and sons, Joe and Wallace of Bryan visited in the home of Mr. and Mrs. J. J. Martin Sunday.

M. T. BURKES DIED HERE LATE SUNDAY

M. T. Burkess, 69, died at 3:30 p. m. in St. Edwards Hospital here Sunday, August 29.

Mr. Burkess was a native of Alabama, born June 6, 1879 in Livingston, Ala. He had been a resident of the Cameron area for a number of years.

Funeral services were held from the First Baptist Church in Cameron at 3 p. m. Monday, August 30 by Rev. L. L. Morriss, pastor, with interment in the Rosebud Cemetery. The Marek-Burns Funeral Home directed arrangements.

Surviving are his widow, Mrs. M. T. Burkess of Cameron, three sons, T. L. Burkess, H. L. Burkess of Houston and E. J. Burkess of Cameron, 3 daughters, Mrs. J. Max Howard of Cameron, Mrs. O. W. Wallace of Houston and Miss Lois Burkess of Waco.

One brother J. T. Burkess and one sister and Mrs. N. D. Dunham of Reagan and another sister Mrs. T. M. Murphy of Lott, survive him also. Five grand children also survive. One son died at the age of 22 in 1932.

Pall bearers were nephews.

Miss Sue Brooks and Louis B. Gohmert Married in Waco

Miss Sue Brooks and Louis B. Gohmert were married at Spencer Annex of Columbus Avenue Baptist Church in Waco Saturday afternoon.

Rev. C. A. Morton of Gatesville performed the ceremony at an improvised altar of palms and baskets of white gladioli. Her sister, Miss Mary Elizabeth Brooks was her only attendant. Captain W. W. Garner of Cameron attended his brother-in-law as best man. J. Leigh Brooks, brother of the bride, and Wallace Culpepper of Cameron served as ushers. Wedding music was by two aunts of the bride, Mrs. Fred Napp of DeKalb, pianist and Mrs. Arnold Anderson of Mt. Pleasant, soloist.

The bride is the daughter of Mrs. Frank B. Brooks, 1416 South Fifth Street, and the late Mr. Brooks. Louis is the son of Mr. and Mrs. Louis Gohmert of Cameron.

Mrs. Gohmert is a graduate of Baylor University and for the past two years has taught school, first at Yorktown, then in Pattison.

At Baylor she was a member of Kappa Delta Phi, international honorary education fraternity. Her husband received his degree in architecture in February from A&M College where he was a member of the baseball team and track squad. He is now associated with the Avery-Stanford Co. in San Angelo.

Out of town guests, in addition to Mr. and Mrs. Gohmert and Captain and Mrs. Garner of Cameron, Mesdames Napp and Anderson were Mrs. Artie Morrow of Dallas, Marilee and Buddy Anderson of Mt. Pleasant, Sandra Napp of DeKalb, Mr. and Mrs. Wes Buller and Mr. and Mrs. Gus Buller of Pattison. The ceremony was attended by close friends and relatives of the couple.

Jim Ferguson's Birthday August 31st Caused Residents of Blum in Hill County To Recall First Campaign Opening Speech there in 1914

By JAMES KNIGHT
Central Texas Reporter
Waco Times-Herald Staff

BLUM, Aug. 31—Older residents of this Hill County community remembered one thing about the late Governor Jim Ferguson above everything else when reminded that today was his birthday. They recalled the opening speech here of the fiery Central Texan for his first campaign in March of 1914.

Blum was chosen for that speech because Hill County formed the nucleus for numerous "Ferguson for Governor Clubs." Some sources say that the Blum club was the second. Otto Hicks, a retired grocery man who still lives here, says he thinks the Blum club was the first.

Ferguson and his entire family were on the special train that stopped in Blum on March 21, 1914. The day resembled anything but the opening of Spring. Alternate showers of rain, sleet and snow kept the 2,000 visitors hovering under whatever shelter they could find up and down the streets.

There was no auditorium in the town capable of housing the audience so Ferguson made his speech on main street.

According to Hicks, Hill County people were mainly interested in having Ferguson for Governor because of the tenant plank in his platform.

"About the time Ferguson began his campaign tenants were having to pay high prices for renting land and, in addition, were being forced to pay a bonus," Hicks said. "Ferguson said he would get a law passed preventing the bonus plan and that was when so many from Hill County began supporting him."

The Waco Morning News of March 22, 1914, in reporting on Ferguson's speech, said he dwelled principally on the two planks of his platform—the prohibition question and the tenant problem.

"I promise, pledge and put the world on notice that if I am elected Governor and the Legislature puts any liquor legislation up to me, pro or anti, I will strike it where the chicken got the ax," the paper quoted Ferguson as saying. Ferguson played the pro and anti prohibitionists for splitting the Democratic Party. He urged the people to stay away from all conventions and go to the polls in July and vote.

Ferguson also figured that State's rights would be challenged if national prohibition went into effect.

The part of Ferguson's speech that made the strongest appeal to his Blum listeners was about his proposal to aid farmers. He contended that landowners should not charge more than a third of a grain crop, or a fourth of a cotton crop except where special arrangements had been made to pay one-half of all crops. He proposed an extension of the usury laws to cover farm contracts.

Other than the above-mentioned stands, Ferguson also favored more liberal support to public schools, a better marketing system for agricultural products, and a revised State penitentiary system.

Ferguson was born at Salado, near Belton, on Aug. 31, 1871. His father a circuit-riding Methodist minister, announced jokingly the next Sunday morning during church services that his new son "would some day become the Governor of Texas."

When Jim was about 15 he left home to work at odd jobs and make money to travel to the West Coast. He held jobs such as a section hand on railroads and even worked in mines while visiting Colorado and California.

Later he returned to his home at Salado and began to read law. After several months of lecturing to trees on his Salado Creek farm he went to Belton where lawyers were to examine him for the bar. According to some of his close friends they didn't ask him a question, but passed him out of respect for his father.

Ferguson became owner of banks at Belton and Temple before his first campaign for Governor.

The banker-lawyer became famous for his home-spun philosophy which was neatly woven into each speech he delivered. During a political speech at Waco one time on the court house lawn Ferguson was

about half through with his subject when he looked up and saw a Civil War veteran struggling down the aisle with the assistance of a cane. All of the seats were taken and the old fellow just kept looking.

The front row had been reserved, but Ferguson called to the man "Come on down here at the front and have a seat, Uncle. We are going to skin a skunk."

Ferguson was impeached from his position as Governor in 1917 because of certain wrangles over State money. But his wife, Mrs. Miriam A. Ferguson was elected in 1924.

Her opponents, in that race said it would be the same as having Jim Ferguson for Governor again. He said, "All I'm going to do is tote in the wood and water."

Mrs. Ferguson lives in Austin now.

Cotton Hit Gong In 1863; Was \$1.01 Lb.

Sheriff Carl C. Black who occasionally finds something good for publication and passes it along to The Herald, has come up with a bulls eye. It relates to cotton in 1863. It was worth \$1.01 per pound. Here is a clipping from the Fort-Worth Star Telegram, evidently some years back:

DALLAS, Feb. 15—Cotton men smiled in Satisfaction Friday with the futures market over 26 cents, but they admitted that those who talk about the "good old days" might have something, at that.

The 26 cent figure was last reached in March 1921.

Back in 1790, when four bits was a fair day's pay, the entire United States cotton crop brought an average of 26 cents. However in 1800 it went to 44 cents.

Cotton really hit the gong in 1863 however, when the price went to \$1.01 a pound.

Lowest average prices for an entire year's crop came in 1843—5.6 cents and in 1931—5.7 cents.

DIXIECRATS TO FORCE WAY INTO CONVENTION

Fort Worth, Aug. 25 — States' Rights Democrats will shift from the defensive to an all out offensive by way of the Texas Supreme Court within the next few days in a legal effort to force the Democratic state convention in Fort Worth September 14 to seat anti-Truman delegations.

Bowlen Bond, manager of the States' Right preconvention office in Fort Worth, Wednesday confirmed that the Dallas County delegation will file an application before the court asking leave to file for a writ of mandamus directed at State Democratic Chairman Robert W. Calvert of Hillsboro and members of the state executive committee.

Tarrant and Harris counties had considered joining in the suit as intervenors, but the Dallas backers of the Thurmond-Wright presidential ticket are now expected to carry the fight alone in an effort to establish a precedent.

Bond declared the basis of the legal action will be statements which have appeared in newspaper interviews with Calvert in which he says the state chairman has exhibited prejudice and a fixed determination to prevent seating at the Fort Worth convention of delegates who will not pledge themselves to support of President Truman.

Obstinate ignorance is a crime for which there is no forgiveness.

Milam County Bought \$91,375,000 In Bonds During Security Loan

Milam county bought a total of \$91,375.00 in bonds during the Security Loan drive, it was announced recently by Henry Siebman, chairman for the county.

The county's quota was \$140,000. The bond sale was launched April 15 and continued through June 30

Wallace Is Greeted With Egg Shower In South Carolina

Henry A. Wallace, third party candidate for President, was greeted with a shower of rotten eggs and ripe tomatoes in North Carolina towns Monday as he headed into the deep south.

At Burlington he was prevented from making his speech and immediately left for Greensboro where he was again pelted by angry partisans.

Governor Gregg Cherry of North Carolina deplored the treatment given Mr. Wallace. "A man ought to have the right to talk," he said.

Mr. Wallace whose white shirt was stained with yellow and red said: "The faces I have seen distorted by hatred are of people for whom I have in my heart profound compassion, because most of them have not had enough to eat."

Clarkson News

Mrs. Anna Johns and family spent Wednesday with Mr. and Mrs. Eugene Sells of Barclay.

Miss Mildred Matyastik modeled at the Fall style show held at the Specialty Shop last Tuesday.

Miss Virginia Hauk has accepted employment at Temple.

Mr. and Mrs. Billie Lewis Steusel of Temple visited the Amos Doskocil and Jim Hauk families Thursday night.

John Nolita of Galveston visited Mildred Matyastik Thursday.

Mr. and Mrs. Garland of Waco transacted business here last Monday and sold their place to Louis Skala.

Ray Garrett and Billy Hauk transacted business at Brownwood last Friday.

Staff Sergeant Teo Mitchell and wife of San Antonio spent Friday with the Tim Mitchell family.

Mrs. John Matyastik transacted business in Belton Monday. She was accompanied home by her daughter, Mildred, who has been attending summer school at Mary Hardin Baylor.

Mr. and Mrs. Fred Starnes of Yarellton spent Sunday with Mr. and Mrs. Joe Hauk.

Rev. and Mrs. Robert Callomer are spending their vacations at Galveston and Rev. Ward of Waco is supplying in the absence of the pastor.

Sunday is the regular preaching time, Sunday school ten o'clock services at eleven, and BTU 7:45 p. m. and services at 8 p. m. Everyone is cordially invited to these services.

Phillip Ermis has been assigned to duty in the Navy and is now at San Diego. He enlisted in February this year and was a hospital corpsman and stationed at Long Beach. He is now transferred to San Diego. He is the son of Mrs. Frances Michna with the Newton Memorial Hospital.

Spotlight on Yoemen As They Move Along Toward First Game

The Yoemen came out of their first inter-squad scrimmage last night with the spotlight on them.

Every coach in the district has picked Cameron to repeat as District Champions. Coach Jackson may have to do a lot of things including miracles to justify these predictions.

It is no secret that he has been searching for a punter all week. Howard Beale, full back, has been lodging them down the field about 50 yards. Maybe that is good for a high school game and maybe not, still the big boy who now weighs around 200 may get the job.

As was said at the beginning the whole team is wide open and anybody can win. What Jackson has will be known soon for they go to San Antonio on September 11 for their first game with Burbank.

Quit that scratchin'.

CONTOURS And TERRACES

Boost Crop Yields

MORE than 30 per cent average increase in crop yields — that was the reward of 9,000 farmers recently checked on results of their soil conservation program. Terraces and contours were responsible for much of this extra yield. By holding rainfall, they provided "natural irrigation" for slopes.

Almost all crops will respond to better moisture control. If you have sloping fields, farming on the contour, terracing or strip cropping almost certainly will pay you a profit.

Terracing is no longer a job for engineers and heavy machinery.

You can build terraces successfully with your regular farm equipment. Allis-Chalmers has developed practical methods of terracing, strip cropping, and building grassed waterways with your farm tractor and tractor plow.

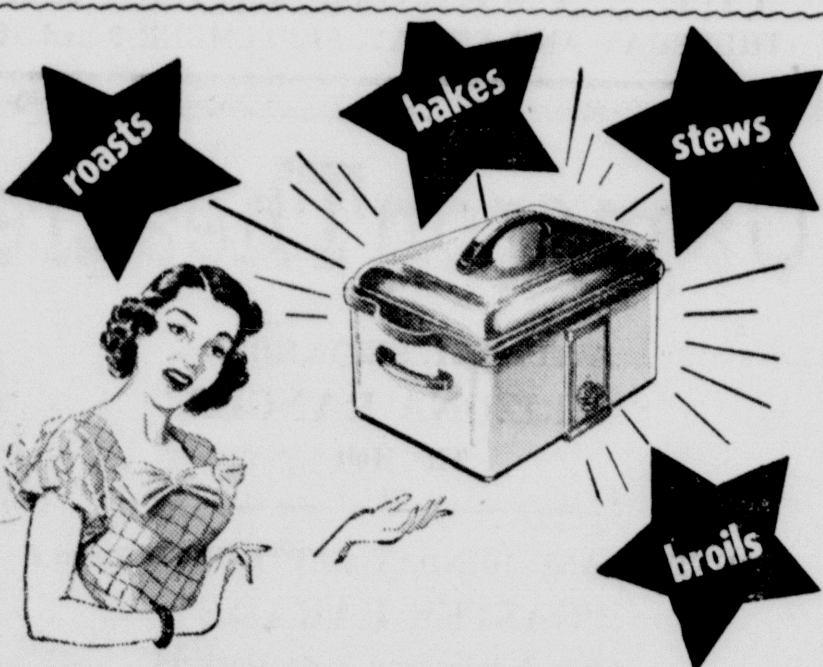

The Allis-Chalmers handbook "You Have What It Takes To Contour and Terrace" will show you where you need terraces and how to build them. Ask us for a copy... it's free.

Ruth Nell Tomasek And Albert R. Schiller Married in Zabcikville

Miss Ruth Nell Tomasek, daughter of Mr. and Mrs. Charlie Tomasek became the bride of Adolph R. Schiller, son of Mr. and Mrs. Joe Schiller recently in a double ring ceremony at the Ocker Moravian Brethren church of Zabcikville.

Rev. F. J. Kostohryz performed the ceremony before an altar decorated with baskets of white gladioli and greenery. Streamers of white crepe paper adorned the pathway for the bride.

Miss Adelene Baletka of Austin, organist, played the cathedral tones from the electric organ before the ceremony. Miss Baletka, accompanied by Mrs. Mary Jo Zabcik of Hearne on the organ, also sang "Because". Mrs. Zabcik then sang "I love you

Truly" with Miss Baletka at the organ.

The bride, given in marriage by her father, wore a white lace gown with an inserted yoke, edged by a ruffle of lace with lace covered buttons on the back of the gown and also at the tip of the long pointed sleeves. Her full lace skirt swept into a long train and her finger tip length veil was held into place with a coronet of large orange blossoms trimmed in lace. She carried a colonial bouquet of large white asters tied with a white satin bow.

Miss Georgie Tomasek of West attended as maid of honor while Miss Mary Dean Baletka of Barclay and Miss Evelyn Coufal were bridesmaids. They wore identical gowns of light blue, pink and aqua, fashioned in colonial style with round yokes. Self-material ruffles appeared at the yoke. Their bouquets were of rainbow colored asters tied with satin ribbon

with the same flowers used in their hairdresses.

Miss Barbara Zabcik and Miss Linda Jones attended as flower girls. Their gowns of white dotted Swiss were fashioned after those of the bridesmaids. They carried white satin baskets of rose petals.

Alder Schiller served his brother as best man. Groomsmen were Garland Schiller of Burlington and Charlie Lee Tomasek, brother of the bride. Ushers were Gene Coufal and Rudolph Schiller.

A barbecue supper was held at the home of the bride's parents immediately following the ceremony.

For traveling the bride wore a brown gaberdine dress with brown accessories with a corsage of white asters.

After a wedding trip to Carlsbad, New Mexico, Monterrey, Mexico and Corpus Christi the couple will make their home in Temple where both are employed.

Mrs. Schiller is a graduate of Rosebud high school and attended a business school in Temple. Mr. Schiller is a graduate of Yoe high school in Cameron and served with the army air forces for two years.

Albert C. Shuemate And Ellen Mae Davies Married in Wisconsin

In a setting of white tapers in branch candelabra and baskets of garden flowers in pastel shades, adorning the altar of Grace Evangelical and Reformed church at Wausau, Wis., Saturday afternoon at 3:30 o'clock, Miss Ellen Mae Davies, daughter of Mrs. Edwin W. Anderes, 620 S. Third avenue, exchanged nuptial vows with Albert C. Shuemate, son of Mrs. Curtis Gill, Cameron, Texas.

The bride's uncle, the Rev. Martin Flatter, Toledo, Ohio, assisted by the local pastor, the Rev. J. C. Rosenau, performed the ceremony with a soft background of organ music provided by Mrs. Stanley Smith. Miss Ila Mae Gaedtko, soloist, sang "I Love You Truly" and "Because".

Presented in marriage by her grandfather, Richard Flatter, the petite bride wore traditional white satin and carried a bouquet of pink roses and shattered white carnations. Her gown, which had been worn by her sister, Mrs. William C. Hackbarth, was styled with fitted bodice which closed down with back with tiny satin buttons, sweetheart neckline tapered sleeves and a full skirt with brief train. Her full-length lace trimmed veil of tulle was caught to a tiara of pearlized orange blossoms.

Mrs. Hackbarth, who was her sister's matron of honor, was gowned in yellow chiffon over satin and carried pastel flowers tied with a blue ribbon. Miss Janet Flatter, cousin of the bride, in the bridal party as junior bridesmaid, was gowned in light blue chiffon over satin and carried a colonial bouquet of pastel flowers, tied in yellow. Daniel C. Davies, Kenosha, brother of the bride, served as best man.

Mrs. Davies attended her daughter's wedding in a forest green dress, with which she wore black accessories and a corsage of gardenias.

Blue tapers, bouquets of garden flowers and a three-tiered wedding cake provided an attractive table setting. The Rev. and Mrs. Martin Flatter, their daughter, Miss Judith Anne Flatter, and their son, Phillip Flatter, Toledo, Ohio. Mr. and Mrs. Maxwell Boyce, Evanston, Ill., and Mr. and Mrs. William Hackbarth and children, Tommy, Ann and Johnny, Kenosha, were out-of-town guests.

For her going away costume, the bride chose a white sharkskin dress and a red summer-weight wool coat. After their honeymoon in the southern part of the state the couple will take up their residence in Kenosha. The bride, who is a graduate of the Wausau high school, until recently was employed in clerical work in San Francisco, Cal. The bridegroom who is a graduate of the Cameron high school, was recently discharged from the U. S. marine corps, after serving two years in the San Francisco area.

Mrs. Leo Fuchs Is Hostess to Members Of Her Club Here

Mrs. Leo Fuchs entertained members of her club and three guests, mesdames Ted Kuehl, Theo Fuchs and her little daughter.

Games of "42" were played with Mrs. L. F. Slama holding high, Mrs. John Matyastik second high, Mrs. Leo Laake "84", while table cuts fell to mesdames John Matyastik, Leo Lanke, and Ed Schiller.

A beautiful color scheme was carried out in the decorations of tallies, score pads and table covers. Mrs. Fuchs assisted by Mesdames Jim McGoldrick, Leo Laake, and John Matyastik in serving chicken salad, Ritz, olives, pickles, potato chips, fruit squares and punch.

Mrs. Billie Sanders and Mrs. Henry G. Boedeker made a business trip to Temple recently.

Dorothy Darlington And Guy Chandler Married In Denton

Miss Dorothy Darlington, daughter of Mr. and Mrs. Frank Darlington of Corpus Christi, and Guy Edward Chandler of Cameron were married at 7:30 o'clock Friday evening at the Little Chapel-in-the-woods at Texas State College for Women. The bride is the niece of Miss Ella Fyffe and Dr. and Mrs. J. Edwin Taylor of Denton.

The officiating minister for the ceremony was the Rev. Joseph J. Copeland, pastor of the First Presbyterian Church.

The bride wore a dress of white embroidered batiste for her wedding. Her flowers were white gardenias. She was attended by Miss Clara Anderson of Henderson, maid of honor, whose dress was of blue eyelet embroidery. She wore a corsage of blue gardenias.

Ollie Gray Chamberlain of Cameron served Mr. Chandler as best man.

Immediately following the ceremony a reception was held for the wedding guests at the Taylor home, 219 Jagoe St. The wedding and reception were attended by members of the two families and by close friends.

The bride is a graduate of TSCW and has been supervisor of music in the schools of Cameron, where she is also director of a boys choir. Her husband is a senior student at Texas A&M College. During the war he served with the Army Air Force and was awarded the air medal.

Mr. and Mrs. James Terry, both of Baylor University are vacationing in Florida and New Orleans, La., for two weeks after which they will visit relatives and friends in Cameron before returning to Baylor for the fall term.

THE CAMERON HERALD

SEPTEMBER 2, 1948

Mrs. Wimberly Host To Hoyt HD Club

Mrs. Hugh Wimberly entertained the Hoyte Home Demonstration Club at her home August 24 with eleven members and one visitor present.

The meeting was called to order by Mrs. Earl Angel, vice president in the absence of Mrs. John McLerran.

Mrs. Wimberly and Mrs. Angel gave a demonstration on how to save steps when making your beds. Plans were made to have a chicken barbecue for the club members and their families at Mrs. Narvie Caperton's lake.

A surprise package was won by the visitor, Miss Florence Jane Storey.

Following the meeting Mrs. Wimberly served sandwiches, cake, punch and lemonade.

The next meeting will be in the home of Mrs. Jimmy Angell.

Shirley Scarborough Honored on Birthday With Party at Park

Shirley Scarborough was honored with a birthday party at the City Park, August 23.

The following friends enjoyed a series of games: Bettie Caperton, Evelyn Armstrong, Dell Rinn, Glen Rosenberg, Shirley Smith, Ray Thompson, Eddie Lankford, Norma Jean Lunsford, Donald Shipp, Flossie Lunsford, Mr. and Mrs. W. C. Rinn, Mrs. Maggie Baggerly and children and Mrs. Julia Scarborough and son.

A record player furnished the music.

Mrs. Scarborough assisted by Mrs. W. O. Rinn served delicious birthday cake with sandwiches to those present.

Mrs. John Matyastik Hostess to Leisure 42 Club Thursday

Mrs. John Matyastik of Clarkson was hostess to the 42 Leisure Club on Thursday afternoon, August 12 Mesdames, C. N. Payne and Ted Kuehl were guests.

A beautiful color scheme of pink and green was carried out in the party decorations.

Mrs. Henry McLane, president presided at the business meeting with the secretary and treasurer giving their reports.

It was moved that the club have one business meeting a month. This motion was accepted.

During the social hour games of "42" were played with Mrs. P. L. Bergum winning, Mrs. Leo Fuch second high, Mrs. Leo Lanke 84. Mrs. Jim McGoldrick low, while table cut went to mesdames, C. N. Payne, P. L. Bergum and H. L. Dake.

Mrs. Matyastik served tuna salad, potato chips, pickles, olives, Ritz, and angel food squares with pink and green punch.

Hurricane Sweeping Out to Sea; Gulf Kicking Up Blow

The tropical hurricane believed certain to sweep through the Carolinas and northern Florida, has turned north east and is disappearing in the Atlantic ocean.

Meanwhile the weather bureau was keeping an eye on high tides off Brownsville in the Gulf where an area has been fixed as a likely spot for a storm. So far there are pronounced indications of a bad blow but the government had not issued warnings.

AT PENNEY'S

100 MILE WINDS NEAR THE FLORIDA MAINLAND

MIAMI, Aug. 27—A powerful tropical hurricane, the first big blow of the 1948 storm season, whipped over the Atlantic Ocean northeast of the lower Bahama Islands Friday on a northwest curve toward the United States mainland.

At 11:45 a. m. (E.S.T.) a navy plane located the storm about 900 miles due east of Miami and roughly 340 miles northeast of Turks Island in the Bahamas. (This is approximately 1800 miles from Houston.)

The Miami Weather Bureau plotted the hurricane at longitude 67.5, latitude 23.9.

Comdr. Edwin T. Harding, navy hurricane control officer in Miami, said the storm area appears to be turning more sharply toward the Eastern seaboard. He remarked:

"The significant thing about its characteristics today is its continued movement toward the coast.

"We thought at first it might turn north and swing out to sea, but the latest reports still spot it on a north-west curve."

The tropical howler was loaded with 100-mile-an-hour winds near its center that sent ships in its path scurrying to safer waters.

Grady Norton, chief forecaster for the federal storm warning service, said there is no indication of any change in intensity or course in the next 18 hours.

The Eastern seaboard has not been alerted for the storm except to be kept continually advised of its movements, but a few preliminary precautions were being taken in Florida.

Eustace L. Adams, chairman of the Miami American Red Cross disaster relief committee, said all shelters in the Miami area can be opened

and ready for operation within 90 minutes after receipt of a Weather Bureau warning.

Army Issues Call For 10,000 Men

The United States Army Tuesday had issued a call for 10,000 men to be inducted in November and will follow up with another ten thousand to be inducted in December.

A progressive draft to reach 30,000 a month is the plan of military leaders who are building a peace time army in preparation for war with Russia.

State quotas will be light. Young men in Milam county who were signing for the draft Monday have little to worry about at present since the call for 10 thousand men from over the country at large will make draft quotas small in the counties.

WET CABLE REPAIR IS HOPED FOR TUESDAY

The rainstorm that broke over the city of Cameron in midafternoon Monday knocked out 125 telephones, mainly in the business district and on West Main Street, it was reported to the Daily Herald early Tuesday by C. L. Carson, manager, from his offices in Taylor.

Mr. Carson said a wet cable resulted from the downpour. J. M. McLean, service manager here, was supervising the work of restoring the telephones and Mr. Carson said that he expected service to be restored sometime during the day Tuesday.

Cameron received .71 inches of rain Monday. The rain did not extend far beyond the city limits. No other damage was reported except the interruption of service on the cables in a small sector of the city.

John Hairston transacted business in Rockdale one day this week.

180 MEN REPORTED REGISTERED MONDAY

Reports from Cameron and Rockdale disclose that 180 men between 18 and 25 whose birthdates came on the prescribed date for their registration were enrolled for draft Monday.

Reports from other registration points in the county were to be received by mail. Since there are several days on which men whose birthdays fall in the classes, will register the number indicated on the first day does not give a clear index to the number who will be available from this county.

Local Board was very much in need for volunteers to help in the registration. In Cameron registration is being made at the city hall.

The Local Board will have new offices in the Lippman Building over the Model Cleaners but will not move in until the supplies and fixtures arrive.

Hunters Knock Down 2600 Telephone Wires; Asked to Be Careful

Hunters not only shot birds last year, but also managed to knock down 2,600 telephone wires in Southwestern Bell Telephone territory, C. L. Carson, manager for the company said today. "With the 1948 hunting season about to open, the company urges hunters to use care in shooting at or near its pole lines," he said.

"What we probably need," Mr. Carson said, "is telephone lines that can duck bird-shot. But, what we have is pole lines and wires that can't dodge. The problem is pretty serious. Last year, about one-fourth of all cases of trouble on our open wire long distance telephone lines was traced to gun-shot damage."

Even good shots miss occasionally, and a shot at a bird on a telephone line, or flying in front of it, may cut a wire and interrupt telephone service. Until the company can get men out to repair the damage, important messages may be delayed.

In asking that hunters think twice and pass up "fat" shots around telephone lines, Mr. Carson said, "Care and thoughtfulness on the part of hunters now will go a long way toward protecting the community's vital long distance telephone service."

Mr. and Mrs. Alvin Hefft and Mr. and Mrs. Harold Watkins have returned from a vacation trip to New Mexico and Colorado. They also came through Kansas and Oklahoma.

B-29 SHIPS BOLSTERED BY MAINTENANCE MEN

WASHINGTON. — The air force said Wednesday 2500 maintenance men will leave for England September 1 to take care of American B-29 airplanes there and the transport ships used in the Berlin airlift.

Headquarters for the group will be at a wartime maintenance depot at Burtonwood, Lancashire.

The men leaving will be from the United States Air Force 59th Air Depot, now stationed at Griffis Air Force Base, Rome, N. Y., and from the weather and communications service of the Military Air Transports Service (MATS.)

The air force said the purpose is to provide facilities, supply and maintenance for air craft in "operation vultures," supplying Russian blockade Berlin.

The group will also be used to maintain the three B-29 groups now temporarily based in England. The B-29 units carry their own maintenance personnel, and are self-sufficient except for major maintenance and extensive supply functions.

Eastern Star Holds Anniversary Meeting; History Is Recounted

The Cameron Chapter, order of the Eastern Star met Tuesday night, August 24, commemorating its 35th anniversary. Attending this meeting were members and visitors from Calvert, San Antonio, Milano and Des Moines, Iowa.

An impressive program honoring the living chapter members, Mrs. Lina R. Kemp, Miss Delphya Scott, and Mrs. Bessie Lowe Seuchard of Menard who was unable to attend, was arranged by the following committee: Mrs. Guy Chandler, Mrs. S. E. Brogdon and Mr. and Mrs. J. C. Mayfield.

Mrs. Guy Chandler and Mrs. Valon Fogle opened the service by lighting candles and introduced Mrs. Kemp as the first worthy matron of this chapter and Miss Delphya Scott as another of its first officers. A tribute to these faithful members was given by the worthy matron, Mrs. Alva Sanders. Miss Scott responded with a short talk, giving a vivid description of the first years of the life of the chapter. It was on the afternoon of August 1, 1913 that a group of 15 persons met for the institution of the chapter. Mrs. Kemp added to the description by reading from the original paper, dated in August 1914, a list of the first officers of the chapter. These officers had served the latter part of 1913 and the fiscal year of 1914.

Mrs. C. M. Sessions is the only remaining member of Rockdale who took part in the instituting ceremony of this chapter. She was unable to fulfill her plans to be present for this occasion.

At the end of the program Mrs. Chandler presented Mrs. Kemp and Miss Scott a gift from the chapter in remembrance of this anniversary.

Following the business meeting and program the entire group was invited into the dining room where a cake, artistically decorated and with colored candles forming the Eastern Star emblem, centered the table. Ice cream and cake were served by the following committee: Mrs. A. L. Witcher, Mrs. Jess Brock, Mrs. August Horstmann, Mr. and Mrs. Clifford Thompson, Mrs. H. H. Stedman, Mrs. Amanda Wooley, Mrs. Nadine Brooks and Mrs. L. R. Wallace.

SHOWER DELUGES CITY MONDAY AFTERNOON

A heavy rain fell in the city Monday afternoon for about 15 minutes and the gauge showed .71 according to L. W. Smith, local weather observer for the government.

The rain covered only a small area west and east of the city and did not extend far north or south. It was the heaviest downpour since June and brought the August rainfall to around 1.60.

The weather forecast early Tuesday called for continued warm with high humidity and thunder showers developing in central and east Texas in the afternoon. There was little indication that any appreciable change would occur in the temperature.

If Cameron feels the hurricane that was only a few miles off shore in the Carolinas early Tuesday the weather will be much cooler and chances are good for a general rain.

Mr. and Mrs. Jim Laird of Cameron had the following guests in their home for the week end: Mrs. Bonds Laird of Galveston, Mr. and Mrs. Bernice Charles and son of Tracy, their grandson, Dr. Bruce L. Sanders of La Porte.

Mrs. Henry Litzman of Burlington transacted business at the court house one day this week.

THE CAMERON HERALD

SEPTEMBER 2, 1948

GERMAN REDS DEMAND WE GET OUT BERLIN

BERLIN, Aug. 25—Germany's top communist today called on the western allies to leave Berlin. He charged the United States with postwar ruin of Germany just as the "senseless air attacks" wrecked her during the war.

In a Berlin speech to 3,000 representatives of the Soviet-sponsored socialist unity party, Wilhelm Pieck, the party leader, accused America of wanting to saddle Germany with years of military occupation. He also charged the U. S. wanted to convert the Ruhr into a new munitions springboard for attack against Russia.

Pieck's speech was reported by the Soviet-licensed German news agency, ADN.

The Russians earlier had extended their blockade of Berlin to the intellectual level, banning the western press in the city's Soviet sector.

At the same time they launched a sharp attack against the elected

anti-communist city government, accusing it of splitting the police force and "backing" western-sponsored currency in direct opposition to Russian orders.

Lawrence Laffere of Buckholts made a business trip to Cameron recently.

Willie Glaser of Route 1, Cameron was in Cameron one day this week.

Marie Crouch of Cameron attended the funeral of Fred Kolorres in Houston Wednesday.

Treasured moments of Texas History

It was in 1901 that "Spindletop" startled the world with its magnificent gushers, a treasured moment of Texas History which gave it its first really great oil field and changed its entire destiny. This discovery, and the succession of discoveries that followed it, made Texas one of the world's largest sources and producers of this invaluable raw material.

Three generations of taste-wise Texans have enjoyed the fine quality of Texas' Own PEARL Beer. In those treasured moments of relaxation it has become traditional to say, "Bottle of PEARL, please!" Enjoy it yourself.

TO ALL THE VOTERS OF MILAM COUNTY

I should like to take this opportunity to express my appreciation to all the voters of Milam County. To those who voted for me I extend my sincere thanks, and to those who voted against me I am sure you voted your individual conviction and I have no other than the kindest feelings toward you.

A. N. GREEN

SHOT DOWN!

Last hunting season 2,500 telephone wires were broken by stray bullets. That's why we say: Hunters, please don't shoot at birds on telephone wires.

One shot may break an important long distance wire.

SOUTHWESTERN BELL TELEPHONE CO.

ARMY CALL EXPECTED ANY DAY FOR 15000

Young men in Milam county will begin registration for the draft Monday as the army prepared to call up the first quota for the peace time army that is preparing for war with Russia.

The local draft board has designated the following registration points: Milano, Rockdale, Thorndale, Gause, Buckholts, Cameron and Burlington.

Men born in 1922 after August 30, 1922, will register on August 30.

Men born in 1923 will register on August 31 and September 1.

Men born in 1924 will register on September 2 and 3.

Men born in 1925 will register on September 4 or 7. This means there will be registration on Labor Day.

Men born in 1926 will register on September 8 and 9.

Men born in 1927 will register on September 10 and 11.

Men born in 1928 will register on September 13 and 14.

Men born in 1929 will register on September 15 and 16.

Men born in 1930 before September 19 will register on September 17 and 18.

Men born on or after September 19, 1930, will register on the day they are 18 years old or within five days thereafter. This means that men will register as they become 18. They will register with their local boards.

Children Running Risk of Death In Entering Box Cars

Earnest Paschall, Santa Fe special officer, was in Cameron some days ago and while he spoke of a practice among children, especially young boys who are entering box cars on the sidings in the Santa Fe yards and in some instances hopping moving cars.

Mr. Paschall requested that The Herald call this fact to the attention of parents. The children are doing a dangerous thing and loss of life or grave injury is certain sooner or later to result.

He said that freight trains entering the yards often pick up empty box cars in which children are playing. They enter the cars and remain there and the train crews do not know they are about. In switching the cars they have to be moved and young boys have been seen to jump from these cars as they moved about the yards.

Two Pilots Die As Their Planes Crash In Storm at Giddings

Two pilots were killed as two airplanes crashed near Giddings Thursday during a midmorning rainstorm.

William Bloh of the Giddings News said the planes crashed and burned six miles east of Giddings, one about three quarters of a mile south of State Highway 290 and the other about two miles south.

"A log book found in the wreckage of the first plane indicated it was a P-51," Bloh said, "but little could be determined from the wreckage, which was scattered over a wide area."

The plane nearest the highway crashed about 10 a. m., Bloh said but it is not known when the second craft crashed.

Bloh quoted an unidentified farmer residing near the highway as saying he and his family were in their home during the driving rainstorm when they heard an airplane that sounded as though it was in trouble.

The farmer said he looked outside after hearing an explosion and saw black smoke and flames billowing from the scene of the crash. He said he knew nothing of the second crash until several hours later.

Bloh said investigating officials could find no indication there was a midair collision between the two planes during the storm.

"They are quite puzzled, however, over the wreckage of the plane nearest the highway could be scattered over such a wide area, part of the wings being found on the highway itself," he said.

Varments Getting Downright Bold; They Invade Town

Cameron has a nocturnal problem. For sometime it's been a pretty common thing to see a jack rabbit jump out a clump of weeds growing on the sidewalk with town dogs joining in the chase.

But things are getting more complicated. A man killed an Armadillo on the side walk the other night. Then there is the possum problem. Some people say they have eaten them, but most everybody now regards him as a nuisance and runs over him in the street. This genus of marsupial omnivorous mammal is better known to the Publisher as just plain "Didelphys."

These incidents are rather common where firemen can't find water plugs for weeds, and underbrush, but when the polecat, that dulet douser of the countryside makes his appearance car drivers are forced to use detours.

We Get .38 Inches of Rain Late Friday; River Rises Foot

Cameron received .38 inches of rain late Friday to bring the total to .96 for the past three days, it was reported by L. W. Smith, at the Community Public Service Company.

The maximum temperature on Friday was 94 degrees with humidity very high. Little River was up about one foot as a result of local showers.

Temperature Saturday would be higher with a return of real hot weather by Sunday.

Printing

is the world's greatest medium for saying things be it telling the day by day story of the happenings in the world in your favorite daily newspaper, or just plain business in selling what you have to offer.

PRINTING is achieved only by those who know their business. This newspaper has spent 88 years doing one thing well.

ONLY SMALL NUMBER OF VOTES STILL OUT

(From the Daily)

Coke Stevenson was leading Lyndon Johnson for the United States Senate by 366 votes at 11 a. m. Tuesday.

Only a small number of votes were yet to be received and counted it was said from the Texas Election Bureau in Dallas.

An official tabulation will be made by the State Democratic Executive Committee and the results may not be known until the committee convenes next week at Austin.

In the meantime the race was in doubt and could go to either candidate. Stevenson has maintained his slim lead ever since Saturday night with one exception and that was late

Sunday when the Duval county vote came in, Johnson led for a few hours only to lose the lead to Stevenson.

County Chairmen throughout the state have been asked to make a thorough canvass of the returns and to certify their findings as provided by law to the State Committee.

Indications pointed strongly to a Stevenson victory since the number of votes to be counted are too small to change the results. The Texas Election Bureau has never been reversed on the outcome of an election but since this contest is the closest in history the tabulation could be upset when the official tabulation is made.

Mrs. S. A. Easley of Waco was a week end guest of Mr. and Mrs. Joe Anderson. Giles Easley of the University of Texas is also a visitor in the Anderson home, between semesters at the university.
